YEAR-END PROCESSING OF PURCHASE REQUISITIONS (PRS): All PR's citing appropriated funds that expire on September 30, 2003, must be processed through the NASA electronic Core Financial Accounting System (SAP/R3) in sufficient time to issue purchase orders, contracts, agreements, and modifications to increase the likelihood of obligation prior to fiscal year-end. The Financial Office/GG will ensure PR's containing expiring funds are clearly annotated. Cutoff dates are June 30, 2003 for PR's over \$25,000 and July 31, 2003 for PR's equal to or less than \$25,000. Any PR's citing expiring funds that are generated after the applicable cut-off date must be cleared off-line with an approving Contracting Officer prior to entry in SAP. See the job aid at: <http://www-op.ksc.nasa.gov/ifmp/JA.htm> for the appropriate approving Contracting Officer for your Directorate. Enter the Contracting Officer's name in the PR Header Text and his associated Purchasing Group in the proper field when creating the PR in SAP. NUTRITION TIP FROM THE KSC FITNESS CENTER: Does your diet give you a headache?

A glass of red wine or a piece (or two) of chocolate is a treat for many people. But for some, these foods may trigger headaches. What's the connection? Certain foods are known to be associated with headaches. They include:

- Caffeine
- Alcohol
- Tyramine, which is found in red wine, beer, aged cheese, nuts and chocolate, among other foods
- Tannins, which are found in foods like apple juice, blackberries, coffee, tea, chocolate and red wine.

If you suspect a particular food is the cause of your headaches, don't eat it for two weeks, then try it again and then eliminate it again. If the headaches come and go with the elimination and reintroduction, you may want to check with a health professional.

VOLUNTARY LEAVE TRANSFER PROGRAM: The leave transfer program is one of the most popular benefits. To qualify for this program, an employee must establish the existence of a medical emergency (for self or family members) which is expected to result in a requirement for at least 3 days of leave without pay, after the use of existing annual and/or sick leave (earned, not advanced). Leave transfer requests must include documentation from a physician on the medical condition and an estimate of the employee's projected length of absence. If an employee wishes his/her participation in the program announced in the KSC Bulletin, or within his/her organization, he/she may include such a statement in the letter of request. Affected employees would normally initiate requests for a declaration of a medical emergency through supervisory channels; however, if they are unable to do so, their supervisor, family members, or co-workers may initiate the request. Employees wishing to donate leave may do so, subject to certain restrictions. Only earned annual (or restored) leave may be donated, and total donations of leave may not exceed one half of that which would be earned in the remainder of the current leave year. Employees wishing to donate leave are strongly encouraged to donate at least 8 hours at a time, since the effort involved in processing leave transfers is significant. Leave donor forms are available in the BA-B Office and in most Administrative Offices. Donations of leave should be sent directly to BA-B, Room 2507, Headquarters Building. Requests for leave transfer are treated as confidential, unless the employee states otherwise. The names of donors are anonymous and will not be released except as needed to process the donation. If you have questions about the program stop by the Personnel Office Operations Branch, HQ, Room 2507. (BA-B)

BANK OF AMERICA GOVERNMENT TRAVEL CARD USERS: All NASA employees at Kennedy Space Center who have been issued a Bank of America Government Travel Card are reminded that the card and the account are to be used for official travel and travel related expenses while on TDY. Employees are expected to pay the balance in full each month. Delinquent charges or personal use of the card are cause for cancellation. If you have any questions, please call the KSC Bank of America Agency Program Coordinator at 867-2860. (TA-E1)
